6                   UNITED STATES DISTRICT COURT  
7                   WESTERN DISTRICT OF WASHINGTON  
8                   AT SEATTLE

9                   MICHAEL ANTHONY WADE, JR.,

10                  Petitioner,

11                  Case No. C20-0097-RAJ

12                  v.

13                  JERI BOE,

14                  Respondent.

15                  ORDER DENYING MOTION FOR  
16                  EXTENSION OF TIME

17                  This matter comes before the Court on Petitioner Michael Wade Jr.'s Motion for  
18                  Extension of Time to File a Notice of Appeal. Dkt. # 22.

19                  A party may move for an extension of time to file an appeal under Federal Rule of  
20                  Appellate Procedure 4(a)(5). A district court may grant an extension if two conditions  
21                  are met: (1) "a party so moves no later than 30 days after the time prescribed by this Rule  
22                  4(a) expires" and (2) that party shows "excusable neglect" or "good cause." Fed. R. App.  
23                  P. 4(a)(5). If a court grants an extension under this rule, no extension may exceed "30  
                days after the prescribed time or 14 days after the date when the order granting the  
                motion is entered, whichever is later." *Id.*

1 Here, judgment was entered on June 21, 2021. On July 20, 2021, Petitioner sought  
2 an extension. On October 22, 2021, this Court granted a 14-day extension to file a Notice  
3 of Appeal. Dkt. ## 17, 21. This moved the deadline for his notice of appeal to November  
4 5, 2021. No extension under Rule 4(a)(5) may exceed 30 days after the expiration of the  
5 time originally prescribed by Rule 4(a), or 14 days after the date when the order granting  
6 the motion is entered, whichever is later. FED. R. APP. P. 4(a)(5)(C). Any further extension  
7 would exceed the time provided under Rule 4(a). Accordingly, the Court **DENIES** the  
8 motion for extension of time.
